

TNSI 2025 TRAINING SCHEDULE

TNSI is proud to offer our own **TN Security Certification Course** and **TN Fire Certification Course**. Both courses ARE APPROVED by the TN Alarm Systems Contractors Office for initial application for a Tennessee Qualified Agent license in Burg and Fire. The TN Security Course meets the new employee training requirement set forth in Tennessee Code 62-32-312(g). These TN courses are also available to take online through our training provider Innovative Resources. You can register for our online courses on our website at www.theTNSil.org. Our courses are also approved in surrounding states. Please call or email Penny Brooks for those approvals.

Below is a Schedule of CLASSROOM Training that TNSI will offer from January through December 2025. To register, check the box of the course you wish to attend, fill out the bottom of this form and mail with check to: TNSI, PO Box 150062, Nashville TN 37215, or Email this form with credit card information. TNSI accepts VISA and MASTERCARD. **DEADLINE** to register is two weeks prior to each course. Payment must be received before your attendance is confirmed. All courses require at least 8 students. Fees listed are for TNSI members, **non-members pay an additional \$200/course**.

LOCATION of each course (Hotel Meeting Room) will be determined once each class is confirmed to have enough students. If you register for a course, you will be notified about the location of the course.

TNSI also offers **PRIVATE** TN Security Certification and TN Fire Certification Courses. You will need to provide the training room with either a large screen TV or screen for the PowerPoint Presentation and you will need to provide breaks (coffee, water, soft drinks for the instructor and students). It is not cost effective for you to hold a private course unless you have 8 or more students, however, we are happy to offer a private class for as few students as you like. Please call or email Penny Brooks for more information regarding Private Courses and a quote.
